**Phone: (855) 535-3591**

**Mon-Fri, 8am-5pm PST**

- Comfort Soft Plus® is highly elastic and relieves pressure on and behind the ears
- “Gives” with motion associated with head movement; acts as a “strain relief”
- Eliminates the need to use foam wraps that trap perspiration and bacteria
- Virtually eliminates ear sores.
- Not made with natural rubber latex, DEHP, or phthalates
